

PEG team has managed and successfully achieved the following major projects:

Engineering Consultancy Services

Year	Country	Client	Project	Service provided
2020	Saudi Arabia		Contract for Consultancy & Engineering Services for the Supervision of the Project Execution for Greenfield Cement Plant of 2 x 10'000 tpd Clinker lines and a Captive Power Plant of 145 MW on an EPC Turnkey Contracting Basis, near Riyadh Kingdom of Saudi Arabia	Supervision of the Project Execution for Greenfield Cement Plant on an EPC Turnkey Contracting Basis
2019	Saudi Arabia	United Cement Industrial Company	Contract for Consultancy Services to Study, Tender and Supervise the Implementation of Soot Combustion (AFR) Jeddah, Saudi Arabia	Data Collection Mission, Technical Study, Tendering and Contracting, Project Execution
2018	Pakistan	Saif Cement Private Limited	Contract for Consulting and Engineering Services for a Greenfield cement production plant of 7'000 tpd clinker production line on an EPC turnkey contracting basis, near Di Khan, Pakistan	Site mission, evaluation of the geological report, project technical study, tender documents preparation, evaluation of contractors' bids, assistance to the client during the contract negotiations, preparation of the final EPC turnkey contract.

Year	Country	Client	Project	Service provided
2018	Sultanate of Oman	Al Wusta Cement Company LLC	Contract for a bankable feasibility study for the establishment of a 5'000 tpd greenfield cement plant in Al Duqm, Sultanate of Oman	Site visit and data collection mission, Bankable feasibility study (market study, raw material study, technical feasibility including environmental impact study, financial feasibility) and presentation
2017	Ivory Coast/Cameroon	Groupe Atlantique	Contract for Consulting and Engineering Services for the development of 2 Clinker mixing stations, 1 mixing station of 2 million tons capacity in Ivory coast and 1 mixing station of 1 million tons in Cameroon.	Data collection and site visits, Design phase, technical and financial study, tender to contract
2017	Ivory Coast	Groupe Atlantique	Contract for Technical Advisor Services for an Implementation Project for a Clinker Grinding Station of 1 Mtpy in Abidjan, Ivory Coast.	Analysis of the project prior to obtaining a credit, Preparation and sending tender document, Project monitoring for lenders during the credit drawing period, Project monitoring for lenders during the period of repayment of the credit.
2017	Ivory Coast	Groupe Atlantique	Contract for Consulting and Engineering Services for Elaboration of a Bankable Feasibility Study, for an Integrated Cement Plant of 5'000 tpd in Ivory Coast	Site and Data Collection Mission, Raw Materials Study, Market Study, Technical Feasibility Study, Basic Environmental Impact Study, Financial Feasibility Study, Bankable Feasibility Study Report and Presentation
2017	Egypt	FLS	Court Case filter	Analyse and comment all documents provided by the court relating to the case, site mission to evaluate the actual damages, court appearance if required
2017	Pakistan	Sinoma CDI for Pioneer Cement Company	Contract for Consultancy and engineering services for a review of process design of the pyro-process department carried out by Sinoma CDI for the new 7'000 tpd cement production line in Pioneer Cement Plant	Review and comment on the process design drawings and specification of main equipment for the following departments: preheater, kiln, cooler; reporting
2017	Tunisia	GIZ	Technical support and awareness on heat recovery systems for self-production of electricity in the cement industry	Sensitization of Tunisian partners on waste heat recovery technologies, study of the potential of self-production of electricity through the lost heat recovery systems in the Tunisian cement sector, reporting

Year	Country	Client	Project	Service provided
2017	Kingdom of Saudi Arabia	Al Safwa Cement Company	Contract for Consultancy & Engineering Services for a Feasibility Study and Tenders evaluation (option) for a new greenfield white cement production line located near Jeddah, Kingdom of Saudi Arabia	Feasibility Study and Tenders evaluation (option)
2017	Gabon	Nouvelle Gabon Mining	Contract for Consultancy Services for Techno Economic Viability Study with regards to Nouvelle Gabon Mining plant extension	Techno Economic Viability Study
2017	Cameroon	Société Internationale de Ciment (SIC)	Contract for consulting and engineering services for elaboration of a bankable feasibility study, for an integrated cement plant of 5'000 tpd in Cameroon	Site and Data Collection Mission, Raw Materials Study, Market Study, Technical Feasibility Study, Basic Environmental Impact Study, Financial Feasibility Study, Bankable Feasibility Study Report and Presentation
2016	Burkina Faso	Société International de Ciment (SIC)	Contract for Consulting and Engineering Services for Elaboration of a Bankable Feasibility Study, for an Integrated Cement Plant of 5'000 tpd in Burkina Faso	Site and Data Collection Mission, Raw Materials Study, Market Study, Technical Feasibility Study, Basic Environmental Impact Study, Financial Feasibility Study, Bankable Feasibility Study Report and Presentation
2016	Saudi Arabia	Qassim Cement Company	Engineering Services, Monitoring, On-site entire supervision of implementation & realization of a new cement mill at the existing cement plant of QCC	Tendering, full assistance during negotiations, project monitoring, approval of contractor design, supervision of engineering and commissioning
2016	Saudi Arabia	Saudi White Cement Company	Contract for Consultancy & Engineering services for tendering and contracting procedures for a brownfield white cement production line of 1'000 tons / day located near Riyadh in the Kingdom of Saudi Arabia	Tendering and contracting procedures for a white clinker production line and the dedicated cement grinding installation
2016	Saudi Arabia	Yanbu Cement Company	Performance of consultancy services for technical and capital investment for the increase of the kiln throughput of the existing clinker production line of 8'500 tpd clinker production capacity to the optimal production capacity	Site mission, data collection and general plants inspection; Technical and Investment Capital Report.
2015	Algeria	CETIM	Conformity study of the kiln's supplies of a cement plant in Constantine.	Consultancy services for a Conformity study of the kiln's supplies of a cement plant in Constantine.

Year	Country	Client	Project	Service provided
2015	Saudi Arabia	Hail Cement Company	Consultancy & Engineering Services for the inspection of Kiln Girth Gear (delivered as spare parts) before shipment from China by Sinoma CDI after the commissioning of the new line in Hail, Kingdom of Saudi Arabia	Consultancy and Engineering Services for the inspection of Kiln Girth Gear (delivered as spare parts) before shipment from China by Sinoma CDI after the completion of the new line in Hail Cement
2015	Australia	Boral Cement	Elaboration of a Technical Feasibility Study for a new Cement Grinding station	Consultancy and engineering services for the elaboration of the development phase of the BORAL VICTORIAN Cement supply project
2015	Palestine	Sanad Construction Industries (SCI)	Greenfield Cement Grinding Plant 1 Mtpa located in West Bank District of Hebron, Palestine	Consultancy and Engineering Services for the Elaboration of Pre-project Study including the evaluation of the plant location and the raw materials, the Preparation of Tender Documents, Evaluation of Proposals, Contract Negotiations and finalization for signature of a greenfield cement grinding plant of 1 Mtpy on an EPC turnkey basis, to be located in West Bank, Hebron
2015	Congo	Nova Cimangola SA	Market Study relative to CINAT Cement Plant	Consulting and Engineering Services for the preparation of a Market Study related to the whole Democratic Republic of Congo
2015	Switzerland	Quantum Global Investments AG	Service agreement for the assessment of 2 cement plants in Spain designated for relocation	Consultancy services for the Technical and Commercial Assessment of the cement plants in Spain
2015	Myanmar	June Cement Industry Limited	Contract for Consultancy & Engineering Services for the preparation of tender documents for a Greenfield cement plant of 5,000 tpd clinker production capacity, on an EPC Turnkey contracting basis in Myanmar	Consulting and Engineering Services for the preparation of tender documents, for a Greenfield cement plant of 5'000 tpd clinker production capacity, on an EPC turnkey basis, to be located in the Republic of the Union of Myanmar
2015	Saudi Arabia	Yamama Cement Company	Consultancy & Engineering Services for an evaluation study of the sources of power supply via IPP vs the captive power plant using engines for the Yamama Greenfield cement plant located near Riyadh, Kingdom of Saudi Arabia	Provide Consulting and Engineering services for an evaluation study of the sources of Power Supply via IPP vs Captive Power Plant

Year	Country	Client	Project	Service provided
2015	Russian Federation	Chisty Gorod	Evaluation of 3 existing RDF sites	Engineering services for the evaluation of three existing sites, for the installation of a RDF project, to increase the MSW recycling rate in the Moscow area, in the Russian Federation.
2014	Saudi Arabia	Hail Cement Company	Inspection of Kiln Girth Gear (delivered as Spare Parts) before shipment from China by Sinoma CDI after the commissioning of the new line in Hail, Kingdom of Saudi Arabia	Consultancy and Engineering Services for the inspection of Kiln Girth Gear (delivered as spare parts) before shipment from China by Sinoma CDI after the completion of the new line in Hail Cement, Kingdom of Saudi Arabia
2014	Switzerland	Quantum Global Investments AG	Service agreement for the assessment of a clinker grinding station in Kenya	Consultancy services for the Technical and Commercial Assessment of a clinker grinding station in Kenya
2014	Myanmar	June Cement Industry Limited	Feasibility study for a 6,000 tpd cement plant in Myanmar	Provide Consulting and Engineering Services for the valuation of the quarry and raw materials reserves and the preparation of a Feasibility Study for the establishment of a Greenfield Cement Plant with 6,000 tpd clinker capacity, on an EPC Turnkey contracting basis
2014	Morocco	Ciments de l'Afrique	Control of manufactured equipment for the cement grinding station.	Control of manufactured equipment for the cement grinding station
2014	Saudi Arabia	Southern Province Cement Company	Construction of a brownfield new 5'000 tpd production line (line 2) on a Turkey Basis at Bisha Cement Plant.	Supervision of contractor's engineering, Supervision of site construction, Quality assurance of contractor's manufactured equipment, Supervision of start-up and commissioning.
2014	Saudi Arabia	Yamama Cement Company	Prefeasibility study to evaluate the sources of Power Supply via the National Grid or Captive Power Plant, Tendering and Contracting of a Power House for the greenfield cement plant located near Riyadh.	Data collection and Prefeasibility study, Pre-project technical study, Tender documents preparation, Tender evaluation and contracting procedures.
2014	Lithuania	Akmenes Cementas AB	Technical Assistance for a Brownfield production line of 4'500 tpd clinker.	Technical Assistance for the checking of manufactured and mechanical machinery assembly and electrical and civil assembly activities

Year	Country	Client	Project	Service provided
2013	Jordan	Qatrana Cement	Quality control of the Raw Mill Id fan in the existing Qatrana Cement Plant.	Technical audit of the installation and Recommendations.
2013	United Arab Emirates	Ras Al Khaimah White Cement Company	Feasibility Study of the possibility of using Petcoke as main fuel for production of White cement and the impact on the process	Feasibility Study
2013	Iran	Ghadir Cement Company	Contract for consultancy services for plant process and energy audit with recommendations for process optimization, solving bottleneck problems and reducing energy consumption and environmental impact of two cement plants: Shargh Cement and Kordestan Cement in the Islamic Republic of Iran	Consultancy services for a Plant Audit for two cement plants, Shargh Cement Company located in Mashhad and Kordestan Cement Company located in Bijar, in the Islamic Republic of Iran
2013	Saudi Arabia	Hail Cement Company	Quality control of spare parts in China and in Europe before shipment, for the New Line in Hail.	Inspections and TPI services of Industrial equipment.
2013	Saudi Arabia	United Cement Industrial Company	Quality control of equipment manufacturing and Supervision of construction and Commissioning for a new Production Line of 5'000 tpd Cement and for a 53MW Captive Power Plant.	Equipment inspection, Supervision of Project Execution, Supervision of commissioning.
2013	Saudi Arabia	Riyadh Cement	Preparation of a Project Technical Study for the Power Supply of Lines 1, 2, 3 and White Cement Line at Riyadh Cement Company Site.	Technical study of power plant's capacity increasing.
2013	Saudi Arabia	Qatrana Cement	Consultancy and engineering services for the inspection of the raw mill ID fan in the existing Qatrana cement plant	Consultancy and engineering services for the inspection of the raw mill ID fan in the existing Qatrana cement plant
2013	Saudi Arabia	Arabian Cement Company	Feasibility study for a New Cement Production Line of 10'000 tpd clinker, on a turnkey basis, to be located at the existing plant of Arabia Cement Company in Rabigh.	Data collection and site mission, Market study, Project technical study, Raw materials and fuel evaluation, Financial study including the Project cost estimation, Project feasibility study report and presentation.
2012	Morocco	Ciments de l'Atlas	Feasibility study for a 1 Mtpy cement plant located in the Nador Region.	Data collection, Feasibility study.
2012	Morocco	Ciments de l'Afrique	Control of the facilities covering three cement grinding stations in Ivory Coast, Guinea and Cameroon.	Inspections, Documents analysis, Quality controls, Inspection report.
2012	Russia	LRS Group OJSC	Assessment of possible sources of carbamide concentration in the clinker and cement produced at the LSR Plant in Slantsy, Leningradskaya	Performance of the Engineering and Consultancy services for an independent Expert study.

Year	Country	Client	Project	Service provided
2012	Saudi Arabia	Yamama Saudi Cement Company	Completion of a Greenfield cement plant with two production lines of 10'000 tpd clinker each and the relocation of the existing Line 7 to the new plant site on a turnkey basis, to be located in Riyadh Province.	Preparation of tender documents (technical and commercial documents), Evaluation of proposals, Preparation of the Contract draft, Assistance to the Client during the Contract negotiations through the Contract signature.
2012	Saudi Arabia	Southern Province Cement Company	Engineering and consultancy services for a Brownfield New 5'000 tpd Production Line (line 3) on a Turnkey Basis at Tahamah Cement Plant.	Supervision of contractor's engineering, Control of manufactured equipment, Supervision of site construction, Supervision of start-up and commissioning.
2012	Saudi Arabia	Al Jouf Cement	Quality control of equipment in China and in Europe before shipment, for the New Line in Al Jouf.	Inspections and TPI services of Industrial equipment.
2012	Saudi Arabia	Southern Province Cement Company	Mining Plan Study for a Bisha Cement Plant	Mining Plan Study for a Bisha Cement Plant
2012	Russia	LSR Group OJSC	Participation in the Discussion of the Concept of the Raw Material (Clay) Crushing & Storage Systems Upgrade at the LSR Cement Plant in Slantsy, Leningradskaya Oblast, Russia	Consultancy Services
2012	Saudi Arabia	Saudi Ready Mix	Site Mission and a Preliminary Audit of two limestone deposits foreseen for White Cement Production Capacity Plant of 500'000 tpa and for Grey Cement Plant Production Capacity of 2 Mtpa.	Evaluation of the two limestone deposits, provision and initial deposit resource/quantities and material quality assessment.
2012	Singapore	Jurong Port Ltd	Upgrade of the Cement Import Terminal from 4M tons cement per annum to 4.8M tons per annum at the Jurong Port.	Technical Assessment and Optimization Study, Tendering and Contracting.
2012	Nigeria	Africa Finance Corporating	Commercial and technical Due Diligence of East African Cement Company / Business Operation.	Commercial and technical Due Diligence.
2012	Saudi Arabia	United Holding Company	Completion of a Greenfield Production Line of 5'000 tpd Clinker on an EPC Turnkey Contracting Basis.	Evaluation of the Geological Study, a Pre-project Study, Preparation of Tender Documents, Evaluation of Proposals & Contract Negotiations and Supervision of the Contractor's Engineering.

Year	Country	Client	Project	Service provided
2011	Turkey	Vicat Cement S.A.	Assistance with a Price Investigation, Tendering and Evaluation for a roller press system for a grinding capacity increase project in Ankara, Turkey.	Definition of target price package with the existing tender documents, obtaining a competitive bid from a Chinese supplier, overview evaluation of technical content, commercial content and scope of work provided by a single EP Chinese contractor.
2011	Turkey	Mugla Yapi Malzemeleri	Elaboration of a Technical, Export Market and Financial Feasibility Study for a Cement Plant of an approximate Capacity of 3'500 tpd of Clinker in the Mugla Region of Turkey.	Site mission and data collection, Technical feasibility study, Export market study on a national level, Financial feasibility study.
2011	British Virgin Islands	Burlingham International LTD	Elaboration of a Bankable Feasibility Study for an integrated cement plant with an envisaged capacity of 10'000 tpd clinker throughput in Banten Province, Indonesia.	Tendering, Contracting and Assistance in Contract Negotiations for an integrated Cement Plant.
2011	Saudi Arabia	Saudi White Cement Company	Upgrading of the 750 tpd production line to 1'000 tpd on an EPC turnkey basis.	Quality assurance of engineering design & equipment manufacturing, construction and commissioning supervision.
2011	Saudi Arabia	Yamama Saudi Cement Company	Completion of a brownfield production line of 10'000 tpd clinker on a turnkey contracting basis in Yamama, Kingdom of Saudi Arabia.	Preparation of tender documents, evaluation of proposals, assistance during the contract negotiations and finalisation of the contract.
2011	Lithuania	Akmenes Cementas AB	Completion of a Brownfield Production Line of 4'500 tpd clinker.	Technical office assistance and site management expertise to Akmenes Cementas' completion of a Brownfield Production Line of 4'500 tpd clinker.
2011	Saudi Arabia	Saudi Ready Mix Concrete Co. Ltd.	Preparation of an audit.	Preparation of an audit of limestone deposit common to the existing White Cement Production Plant and the existing Grey Cement Plant (under construction).
2011	Nigeria	Action Cement Co. Ltd.	Construction of a Greenfield 5'000 tpd cement plant.	Evaluation of bid, contracting, quality assurance of engineering design & equipment manufacturing, construction and commissioning supervision.
2011	Zambia	Dangote Industries Zambia Ltd	Construction of a greenfield cement plant of 3'500 tpd (Sinoma Nanjing NCDRI).	Quality assurance of engineering design.

Year	Country	Client	Project	Service provided
2011	Philippines	Lafarge Republic Cement	Kiln Inlet Seal at the Bulacan Plant.	Engineering, supply & fabrication, construction & supervision of kiln inlet seal replacement.
2011	Philippines	Lafarge Republic Cement	Crusher Demolition at the Teresa Plant.	Complete demolition & removal activities including safety supervision for existing primary crusher system.
2011	Philippines	Lafarge Republic Cement	Symmetry Gear Replacement at the Teresa Plant.	Engineering, supply & fabrication, construction & supervision for the replacement of the Mill C symmetry gear.
2011	Philippines	CEMEX Solid Cement Plant	Calcliner Modification additional work for Cyclone No.5.	Supply, fabrication, construction & supervision for the installation of cover plates, ring plates and stiffener plates.
2011	Philippines	Lafarge Republic Cement	Cement Mill A & B rehabilitation at the Teresa Plant.	Engineering, supply & fabrication, construction and safety supervision for the rehabilitation of Mill A and B.
2010	Colombia	Imsacol - Ingeniería y Mantenimiento SAS	New 700 tpd clinker production line.	Consultancy and Engineering Services for Basic engineering and preparation of mechanical main equipment technical specifications.
2010	Suisse	CSD Ingénieurs	Technical assistance for study of the opportunities for the application of alternative fuel in the cement industry in Egypt.	Technical assistance.
2010	Saudi Arabia	Riyadh Cement Company	Technical due diligence for 2 x 5'000 tpd Sinoma production lines.	Due Diligence.
2010	Saudi Arabia	Saudi White Cement Company	Technical due diligence for a 700 tpd white cement production line.	Due Diligence.
2010	Russian Federation	Master Group	Construction of an 8'500 tpd greenfield cement plant in Kaluga.	Engineering and consultancy services for the evaluation of bids for EP&C packages and, contracting.
2010	Indonesia	Varada Resources PET Ltd.	Greenfield cement production line for 10,000 tpd capacity in Aceh Province.	Feasibility study.
2010	Tunisia	Carthage Cement	Construction of a concrete batching plant in Bir El Kassaa and a maintenance center in Ben Arous, Tunisia.	Engineering & Consultancy and project management services.
2010	Uzbekistan	Oman Investment Fund	Greenfield Cement Plant of 5'000 tpd capacity.	Feasibility study.
2010	Philippines	IPM Group of Companies	Alternative Fuel pre-processing installation including Characterization of waste of the Payatas Landfill, Manila.	Feasibility Study.
2010	Saudi Arabia	Southern Province Cement Company	Engineering and consultancy services for a Brownfield New 5'000 tpd production line on a Turnkey Basis at Tahamah Cement Plant.	Quality assurance of engineering design & equipment manufacturing, construction and commissioning supervision.

Year	Country	Client	Project	Service provided
2010	Philippines	Lafarge Republic Cement	Cement Silo group demolition Kiln line Demolition at the Teresa Plant.	Complete demolition & removal activities including safety supervision for group of cement silos.
2011	Saudi Arabia	Yamama Cement Company	Brownfield 10,000 tpd production line.	Pre-Feasibility Study.
2010	Ethiopia	North Holding Investment Ltd.	Greenfield 2 x 10,000 tpd production lines.	Evaluation of bids contracting, quality assurance of engineering design & equipment manufacturing, construction and commissioning supervision.
2010	India	Lafarge India	Setting up a 0.5 mn tons blending plant based on fly ash cement (PPC) and imported cement (OPC).	Techno economic feasibility report
2010	India	Lafarge India - Jajjhar	Feasibility report for a 1 Mtpa Fly ash blending unit.	Techno economic feasibility report.
2010	India	Lafarge India	Clinker wagon loading silo and wagon tippler.	Design and supervision of erection, commissioning.
2010	India	Lafarge India	Clinker wagon Loading Silo for Sonadih Cement.	Design, manufacturing and supply of equipment.
	India/Bangladesh	Con-Weigh Systems	Grinding plant in Bangladesh.	Engineering support service
2010	India	Ultra Tech Cement	Modification of clinker feeding system.	Detail engineering
2010	Tunisia	Carthage Cement	Djebel Ressas' Quarry exploitation plan.	Contract for consultancy for the adjustments of exploitation plan.
2010	Chad	Ministry of Mining and Geology	Erection of a new cement plant producing 200,000 tpy.	Revision of contract documents, Supervision of project execution, Supervision of construction and erection, Start up and commissioning.
2010	Saudi Arabia	Yamama Saudi Cement Co.	Upgrading and maintenance of YSCC cement plant.	Technical and financial study of different variances relating to the upgrading or maintenance of the existing cement plant.
2010	Russian Federation	Mastergroup	Contracting of a greenfield cement plant in Kaluga Region	Contract for Consultancy and Engineering Services for the contracting of a greenfield cement plant in Kaluga Region
2010	Philippines	Holcim Bulacan Plant	Complete inspection and survey (FERROSCAN, X-ray, dimensions) of the existing cement silo structure, elaboration of as-built drawings, inspection report and documentation.	Generation of As-built drawings for Silo No.8.
2009 - 2010	Philippines	Cemex Solid Cement Corp	Replacement of ten Kiln shell sections each being 2.5m per section.	Supply of materials, labour, tools, equipment, transport and consumables to carry out the replacement of the kiln shell in two segments,

Year	Country	Client	Project	Service provided
2009	Philippines	Cemex Solid Cement Corp	Extension of the smoke stack to 32m.	Structural analysis, detail engineering, supply of materials, labour, tools, equipment and consumable.
2009	Senegal	Sénégalaise des Industries	Construction of a new 3'000 to 6'000 tpd cement plant.	Supervision of contractor's engineering, construction management and commissioning
2009	Algeria	CETIM	Extension of the Ain EL Kebira Cement Plant. Construction of a new 6'000 tpd production line.	Pre project evaluation, Tendering, Project execution, Supervision of site work, Start up and commissioning.
2009	Spain	Holcim Spain	Asset valuation of the grey clinker operations in the El Alto plant in Madrid.	Asset evaluation.
2009	Algeria	CETIM	Extension of the Beni Saf Cement Plant. Construction of a new 6'000 tpd production line.	Pre project evaluation, Tendering, Project execution, Supervision of site work, Start up and commissioning.
2009	Algeria	CETIM	Extension of the Ech Chlef Cement Plant. Construction of a new 6'000 tpd production line.	Pre project evaluation, Tendering, Project execution, Supervision of site work, Start up and commissioning.
2009	United Arab Emirates	Sharjah Cement	Consultancy Services for the elaboration of an environmental impact study related to the conversion from gas firing to coal firing systems of 2 clinker.	Environmental impact study.
2009	Tunisia	Carthage Cement	Alternative Fuels.	Elaboration of Feasibility Study.
2009	India	Shree Cement Limited	Improvement of the new kiln line operation (formation of rings) of RAS cement Plant.	Process optimization and Engineering Services.
2009	Algeria	Ciments de Zahana SCIZ	Extension of the Zahana cement plant 4'500 tpd clinker.	Preparation of tender documents.
2009	United Arab Emirates	Arkan	Technical audit of the Albana Cement Plant.	Technical audit.
2009	India	Shree Cement Limited	Technical assistance at the RAS Plant.	Technical assistance.
2009	United Arab Emirates	Arkan	Operation and maintenance contract for the new Al Ain Cement Factory.	Tendering, Contract preparation and negotiation.
2009	Tunisia	Carthage Cement	Contract for a Technical Feasibility for a ready mix plant of 4'500 m ³ for the Tunis area.	Technical Feasibility study.
2009	Russian Federation	Sebriakov Cement	The reconstruction of 1 existing kiln line (5x 185m and 6'000 tpd) and the proposal for the construction of a new 6'000 tpd clinker production line.	Expert evaluation of offers.
2009 -	Vietnam	Tan Tao Cement Corporation	Construction of a 2,500 tpd Greenfield cement plant.	Technical expertise, Engineering review.
2009 - 2010	Kenya	Athi River Mining Co	Plant Capacity Assessment study.	Plant Capacity Assessment study.
2009	India	Ultratech GCW	Modification of Clinker Feeding system.	Feasibility study.
2009	India	Eco Cement Ltd	0.5 Mio tpy Slag cement grinding project.	Procurement assistance.
2008 - 2009	India	Lafarge India Pvt. Ltd	Utilization of alternative fuels.	Feasibility study, Equipment supply.
2008	India	Arasmeta	Cement truck loading modification for a cement plant producing 5,200 tpd	Feasibility study.

Year	Country	Client	Project	Service provided
2008	Costa Rica	Holcim Costa Rica S.A.	Construction of one 20'000 ton clinker silo and one 10'000 ton blending silo at the Cartago Plant.	Preparation of tendering, evaluation and recommendations of equipment suppliers and offers.
2008	Tunisia	Carthage Cement	Project execution of the construction of a 1.7 Mtpy cement plant expandable to 3.4 Mtpy.	Feasibility study, Tendering, Tender evaluation, Project execution, Supervision of site work.
2008	Russian Federation	Master Group	Construction of a of a 12'000 tpd clinker production line.	Feasibility Study.
2008	France	Ciments Vicat	Feasibility study concerning the loading, storage and transport of lime stone at MEPIEU quarry.	Feasibility study.
2008	Colombia	Jezebel	Consultancy and Engineering Services for a new cement plant in Colombia.	Analysis and evaluation of raw material samples.
2008	Russian Federation	Vostok Cement	Consultancy and Engineering Services for an evaluation of 3 Chinese suppliers for a new cement line near Teplozersk.	Evaluation of Equipment suppliers.
2008	Morocco	Ciments de l'Atlas S.A. Beni Mellal	Construction of a new cement plant on the site of Beni Mellal.	Feasibility study, Engineering, Tendering, Site supervision.
2008	Morocco	Ciments de l'Atlas S.A Ben Ahmed	Construction of a new cement plant on the site of Ben Ahmed.	Feasibility study, Engineering, Tendering, Site supervision.
2008	Dubai	Al Najoom Holdings Ltd	Elaboration of the Espandar Group of cement companies relating to 4 cement plants under operation as well as 2 Greenfield plants under construction in the Islamic republic of Iraq.	Technical, economical, financial, legal and administrative analysis.
2008	Costa Rica	Holcim Costa Rica S.A.	Construction of one 20'000 ton clinker silo and one 10'000 ton blending silo at the Cartago Plant.	Engineering and Design.
2008	Iraq	Karbala Cement, Iraq Holdings	Preliminary evaluation and budgeting with regards to the rehabilitation purchase study of the Karbala cement plant in the Republic of Iraq.	Feasibility study.
2008	Costa Rica	Cementos Santo Domingo	Estimation of the investment for a 1'000/1'200 tpd clinker production line from the crushing to the existing silo.	Feasibility study.
2008	Democratic Republic of Congo	Blue Star Ltd, Cinat Cement	Assistance for the Candidacy related to Cinat Cement Plant's Management.	Technical expertise.
2008	Iraq	Iraq Holdings, Karbala Cement	Rehabilitation of 2 lines of 3'500 tpd of clinker production.	Consultancy & Technical Support.
2008	Russian Federation	Teploozersk Cement Plant	Evaluation of 2 Chinese cement plants.	Consultancy and Engineering Services.
2008	Albania	Gener2 Construction Company	Contract for Consultancy of a bankable Feasibility Study relating to a new 1 Mio tpy Greenfield Cement Plant in Albania.	Feasibility Study.
2008	Iraq	United Industries Company	Feasibility study regarding a new cement production line in the Republic of Iraq.	Feasibility study.
2008	Russian Federation	Vostok Cement	Evaluation of suppliers for the construction of a Greenfield cement plant.	Contract evaluation, Technical expertise.
2008	Mexico	Fives FCB	Design calculations and detailed drawings for process ducts installed in coal grinding building.	Engineering & Design
2008	United Arab Emirates	Fujairah Cement	Contract for Consultancy services for a technical due diligence analysis of a cement plant in the UAE Fujairah.	Technical expertise.

Year	Country	Client	Project	Service provided
2008	Chad	Ciment du Tchad	Contract for Engineering Services and Assistance in sourcing of Finance for Moursale Bamba cement plant.	Feasibility study.
2008	Turkmenistan	Bouygues Construction	Consultancy and Engineering services for the elaboration of a preliminary plant concept design and price estimation of mechanical, electrical and automation equipment for a 4'000 tpd cement production project in the Republic of Turkmenistan.	Consultancy and Engineering services.
2008	Germany/Japan	Goetz Engineering	Revision of General Arrangement, General Assembly and Detail Drawings for steel platforms bearing machinery and steel platforms around the production line.	Mechanical and steel engineering of heavy machinery; cold rolling mill for steel sheets, in particular the pickling/tandem cold mill.
2008	Germany / Russia	Goetz Engineering	Mechanical and steel engineering of heavy machinery; cold rolling mill for steel sheets, in particular the pickling / tandem cold mill.	General Arrangement, General Assembly and Detail Drawings for steel platforms bearing machinery, steel platforms around the production line, rails, stairs, ladders.
2008	Jordan	Modern Cement and Mining Co.	Checking of Civil Drawings for a cement plant with a capacity of 3,500 tons clinker per.	Checking of Civil and Structural Drawings and Civil and Structural Drawing Revisions against General Arrangement Drawings and Geonotes.
2008	Germany / China	Goetz Engineering	Mechanical and steel engineering of heavy machinery; cold rolling mill for steel sheets, in particular the pickling/tandem cold mill.	General Arrangement, General Assembly, Detail Drawings.
2007 - 2008	Mexico	Fives FCB	Engineering required for process ducts for coal and pet coke grinding.	Optimized design, Arrangement Drawings, Load drawings, BoMs, Detail engineering Drawings and Assembly (Erection), Drawings for stack and ducts including support and frame.
2007	Cyprus	VCC / Vassiliko Cement Works Ltd	Implementation of a clinker production line.	Consultancy and Engineering Services.
2007	Cyprus	VCC / Vassiliko Cement Works Ltd	Construction of a cement grinding station.	Feasibility study, Contract preparation, Tender evaluation.
2007	Colombia	Cementos Apolo, Argos	Full plant audit and conceptual study of the Apolo Cement plant including heat and mass balance.	Full Plant audit, Conceptual study.
2007	Colombia	Cementos Apolo, Tol Cementos	Audit on the production and operations management of the TOL Cement Plant owned by the Argos Group Colombia.	Technical expertise, Plant audit.
2007	Lithuania	Akmenes Cementas AB	Consultancy Services for tender preparation, tender analysis and contracting for the "technical project" (permitting procedure) for the 4'500 tpd clinker production line.	Consultancy Services, Tender analysis & contracting.
2007	Jordan	MCM / Modern Cement and Mining Co Ltd	Consultancy and Engineering services for the establishment of a Greenfield cement plant of 3'500 tpd clinker capacity for the production of OPC, SRC and PPC.	Contract for Consultancy and Engineering Services.
2007	Santo Domingo	ABCO SA	Proposal for a Feasibility study for a new clinker production line at Hatillo.	Feasibility Study

Year	Country	Client	Project	Service provided
2007	Lithuania	Akmenes Cementas AB	Contract for Consultancy and Engineering Services for the execution of 4'500 tpd clinker production line project in Akmenes.	Consultancy & Engineering Services.
2007	Kuwait	United Cement Industry	Inspection of equipment.	Technical expertise
2007	Kazakhstan	MBT Ltd Karatau	Contract for Consultancy and Engineering services for a plant concept and discussions of supply proposals with 2 Chinese suppliers for a 5'500 tpd clinker production line in Karatau.	Consultancy & Engineering Services.
2007	Costa Rica	Holcim Cartago Cement plant	Desk Study - Raw material storage and grinding.	Feasibility study
2007	Saudi Arabia	Al Safwa Cement, El Khayyat	Contract for Consultancy and Engineering Services for the installation of a captive power plant for the Al Safwa cement project.	Consultancy & Engineering Services.
2007	Morocco	Ciments de l'Atlas	Contract for consultancy and engineering services for the construction of a new cement plant with a capacity of 1 Mtpy.	Feasibility Study
2007	Kazakhstan	CCT Ltd Karatau	Contract for Consultancy and Engineering Services for preparation of a turnkey contract draft, evaluation of supply proposals of 2 Chinese contractors and support in contract negotiations for a 5'500 tpd clinker production project in Karatau Republic of Kazakhstan.	Consultancy & Engineering Services.
2007	El Salvador	Holcim El Ronco	Elaboration of a Feasibility study for the Cemento El Salvado, El Ronco, entailing a recommissioning of line 4.	Feasibility study
2007	Ukraine	Bakhchisaray Construction Enterprise	Contract for the evaluation and Optimization of equipment and engineering proposals, contract design and contract negotiations for a 3'000 tpd clinker production plant in Bakhchisaray	Technical expertise
2007	Indonesia	Lafarge Indonesia	Contract for Project Scheduling Services for the reconstruction of Banda Aceh.	Technical expertise
2007	SCG / Société des Ciments du Golfe	Benin	Construction of a new grinding station.	Project Management, Site supervision
2007	Kuwait	KCC Kuwait Cement Company	Contract for Consultancy and Engineering Services for a Preliminary Study for a 5'500 tpd clinker line at the KCC cement plant in Shuaiba – Kuwait.	Pre-project study
2007	Kazakhstan	Uralsk Cement	Contract for Consultancy and Engineering services for Elaboration of a plant concept, optimisation of proposals, contract design and contract negotiation for a 1.5 Mio tpy clinker production plant to be located near Uralsk City in Kazakhstan.	Feasibility Study
2007	Russian Federation	Master Group	Contract for Consulting and Engineering Services for a pre-project study and plant concept evaluation for a 6'000 tpd clinker production project.	Pre-project study
2006	Malaysia	Pasir Gudang Fly Ash Handling	Supply & erection of 3 silos, with pneumatic transport of fly ash from jetty to storage silos (4000t capacity), and from storage to cement grinding plant and mill feed.	Feasibility study

Year	Country	Client	Project	Service provided
2006	Philippines	Cemex Solid Cement Corp	Modernization of the Solid Cement Plant (CEMEX) in the Philippines, Line No. 3 Capacity Upgrade to 3300 t/day.	Feasibility study, Project management, Civil engineering, Mechanical engineering, Electrical engineering, Tender and evaluation, Site supervision, Start-up & commissioning, Purchasing services, Technical expertise.
2006	Saudi Arabia	ASA Viva Gazzan	Erection of a new cement or clinker plant with production capacity of 3 Mtpy.	Feasibility study, Pre-Project survey
2006	Libya	Arabian Cement Company (ACC)	Lebda plant audit in order to increase production of the cement plant.	Plant Audit
2006	Philippines	Cemex Solid Cement Corp	Coal mill inertisation with exhaust gas and preheater modification.	Equipment design & supply, Engineering Installation and Commissioning
2006	Lithuania	Akmenes Cementas AB	Contract for Consultancy and Engineering Services for Tendering, contracting and execution of a 4'500 tpd clinker production line project in Akmenes plant.	Consultancy and Engineering services
2006	Libya	Souk El Khmis	Consultant services for Souk El Khmis cement plant extension.	Raw material investigation, Technical appraisal, Feasibility study, Project management, Tender and evaluation Site supervision, Start-up and commissioning, Purchasing services Technical expertise
2006	Libya	Lebda	Consultant services for Lebda cement plant extension.	Raw material investigation, Technical appraisal, Feasibility study, Project management Tender and evaluation, Site supervision, Start-up and commissioning, Purchasing services, Technical expertise
2006	Venezuela	Holcim San Sabastian	Feasibility study for raw material storage and raw material grinding.	Feasibility study
2006	Costa Rica	Holcim Cartago Cement Plant	Feasibility study for the Cartago Plant in Costa Rica, entailing a kiln system capacity expansion from 2'400 tpd to 3'000 tpd.	Feasibility study
2006	Costa Rica	Holcim Cartago Cement Plant	Feasibility study for raw material storage and raw material grinding.	Feasibility study
2006	Turkey	Meski	Feasibility Study for co-incineration of sewage sludge in the cement factories Cim SA and Adana Cimento.	Feasibility study
2006	Colombia	Cementos Apolo	Engineering and specifications of a bypass system.	Civil engineering, Mechanical engineering, Electrical engineering, Start-up and commissioning, Purchasing services.
2006	Benin	Société des Ciments du Golfe	Installation of a new grinding station.	Feasibility study, Technical expertise
2006	Algeria	UCC / Union Cement Company	Consultancy and Engineering Services for a new 3 Mtpy cement plant in Algeria.	Feasibility Study, Phase I Fact finding mission

Year	Country	Client	Project	Service provided
2006	Syria	UC / United Cement Abu Al Shamat	Semi turnkey contract for the establishment of a full bankable feasibility study for a new 3 Mtpy cement plant at Abu Al Shamat.	Market survey, Raw material investigation, Technical appraisal, Feasibility study, Technical expertise
2006	Russian Federation	Eurocement	Consultancy and Engineering services for a comparative analysis of the offers from potential contractors and preparation of the contract for the construction of a new production line.	Technical appraisal, Technical expertise
2006	Cyprus	VCC / Vassiliko Cement Works Ltd	Implementation of a clinker production line - preliminary stage.	Consultancy and Engineering services.
2006	Egypt	Per Tech UAE Bani Swelf/South Valley	Consultancy and Engineering Services for Execution of a 1.5 Mtpy greenfield cement plant for South Valley cement company in Egypt.	Technical appraisal, Project management, Site supervision Technical expertise.
2006	Tunisia	Lorelle Properties	Construction of a new Greenfield cement plant with a capacity of 5,000 tpd.	Technical appraisal, Feasibility study
2005 -	Libya	Al Ahliya Cement Company (A.H.C.C) Zliten	Cement plant extension - additional line producing 1 Mtpy.	Basic engineering, Site supervision, Start-up and commissioning, Assistance in operation, Technical expertise
2000 - 2004	Senegal	Ciment du Sahel (Kirène)	Construction of a new Greenfield cement plant producing 600,000 tpy.	Raw material investigation, Feasibility study, Project management, Basic engineering, Civil engineering, Mechanical engineering, Tender and evaluation, Site supervision, Start-up and commissioning
2004	Algeria	Société des Ciments de Zahana (Mascara)	Engineering services for the rehabilitation of Zahana cement plant.	Technical expertise
2003 -	Benin	Société Des Ciments Du Golfe S.A. (Djregbe)	Installation of a cement grinding station with a grinding capacity of 600,000 tons/year.	Feasibility study Basic engineering
2003	Lebanon	Ciment de Sibline	Erection of a new coal and petcoke grinding plant with a capacity of 17 t/h petcoke or 23 t/h coal.	Basic engineering, Civil engineering, Mechanical engineering, Start-up and commissioning, Purchasing services
2002 - 2005	Morocco	Asment Ouled Zidane	Construction of a new Greenfield cement plant producing 885,000 tpy.	Market survey, Feasibility study, Project management, Basic engineering, Civil engineering, Mechanical engineering, Tender and evaluation.
1999	Benin	SCB-Lafarge Onigbolo	Audit of the physical condition of the cement plant producing 500,000 tpy.	Technical expertise
1997	Senegal	SOVRAM SINDIA	Market studies and feasibility studies for a Greenfield cement (capacity 600,000 tpy).	Market survey, Feasibility study
1996 - 1997	Mali	International Finance Corporation, Washington, D.C.	Feasibility study for the rehabilitation and extension of existing facilities.	Raw material investigation, Feasibility study, Technical expertise
1996	Nigeria	Kock Transporttechnik Nkalagu	Technical appraisal of the plant and the quarry of the Nkalagu cement plant.	Technical expertise

Year	Country	Client	Project	Service provided
1995	Egypt	Ameriyah Cement Company (Ameriyah)	Capacity increase from 3,300 to 4,200 tons per day	Technical appraisal
1995	Egypt	Assiut Cement Company	Assessment of plant equipment and of plant operation. Cement production: 3'700'000 t/y.	Technical expertise
1994 - 1995	Tunisia	Les Ciments de Bizerte	Modification of the limestone crushing department.	Project management, Basic engineering, Civil engineering, Mechanical engineering, Tender and evaluation
1994	Madagascar	Sanca (Mahajanga)	Technical assistance for new start-up of the Ambonio cement plant.	Start-up and commissioning, Assistance in operation
1993 - 1994	Mauritania	Koch Manutention Mécanique S.A. (Zouerat)	Construction of a crushing station and installation of handling equipment for iron ore mining in Mauritania.	Project management, Civil engineering, Site supervision
1993 - 1994	Botswana	Cempak Botswana (PTY) LTD	Turnkey supply of a fly ash cement blending and bagging plant.	Project management, Basic engineering, Mechanical engineering, Site supervision, Start-up and commissioning.
1992 - 1993	Egypt	Spegyco (Port Said)	Project of rehabilitation of the cement grinding plant at Port-Said.	Feasibility study, Technical expertise.
1992 - 1993	Botswana	Botswana Development Corporation (BDC)	Construction of a cement plant producing 370,000 tpy.	Raw material investigation, Basic engineering, Civil engineering, Mechanical engineering.
1992	Syria	General Organization for Cement	Erection of a new 1 Mtpy production line.	Evaluation of tender documents, Civil engineering, Mechanical engineering, Electrical engineering, Site supervision, Start up and commissioning.
1992	Botswana	Botswana Development Corporation (BDC)	Feasibility study for a cement plant at Palapye.	Feasibility study
1990	Botswana	Botswana Development Corporation (BDC)	Facility study.	Technical expertise
1988 - 1989	Angola	Cimangola/African Development Bank	Study for the upgrading of Luanda Cement Plant with financial analysis for the African Development Bank.	Technical expertise
1987 - 1988	Tunisia	Buttner (Thala)	Follow-up tests on the lime production plant.	Start-up and commissioning
1984 - 1985	Madagascar	Ministère de L'Indusrie et du Commerce de Madagascar	Feasibility study for a new cement plant with a capacity of 300,000 tpy.	Market survey, Raw material investigation, Feasibility study
1982	Guinea Sougueta	Interastra Engineering S.A.	Feasibility study for a new cement plant at Sougueta.	Market survey, Raw material investigation, Feasibility study.
1981	Nigeria	Inter Marine Atlantic Cement (IMAC) (Port Harcourt)	Preliminary study of a new cement terminal with a capacity of 500,000 tpy.	Feasibility study.

Year	Country	Client	Project	Service provided
1979	Togo Lomé	Ciments Du Togo	Second extension of the existing clinker grinding station at Lomé, Togo. Cement grinding capacity: 850'000 t/y.	Project management, Basic engineering, Civil engineering, Mechanical engineering, Tender and evaluation, Site supervision, Start-up and commissioning
1978 - 1979	Bangui	Lambert Frères et CIE	Geological and feasibility studies for a new cement plant.	Raw material investigation, Feasibility study.
1977	Egypt	National Cement Company	Review of offers for the project of capacity expansion to 1,3 Mtpy.	Tender and evaluation.
1976 - 1978	Benin Cotonou	Société Nationale De Ciment (SONACI)	Construction of a new clinker grinding station with a grinding capacity of 200,000 t/year.	Market survey, Feasibility study, Project management, Basic engineering, Civil engineering, Tender and evaluation, Site supervision, Start-up and commissioning, Assistance in operation, Purchasing services.
1976 - 1987	Congo Loutete	Ministère de l'Industrie du Congo	Increase production capacity from 300 tpd to 900 tpd.	Raw material investigation, Feasibility study, Project management, Basic engineering, Tender and evaluation, Site supervision, Start-up and commissioning, Assistance in operation.
1976 - 1978	Algeria Beni-Saf	Société Nationale Des Matériaux De Construction (SNMC)	Construction of a new cement plant producing 1 Mtpy.	Technical appraisal, Project management, Site supervision, Start-up and commissioning.
1976	Algeria Hadjar Soud	Société Nationale Des Matériaux De Construction (SNMC)	Enlargement of the limestone crushing plant to a crushing capacity of 1,200 t/h.	Basic engineering, Tender and evaluation, Site supervision, Start-up and commissioning.
1976	Syria	General Organization for Cement	Technical appraisal of a turnkey offer for a new production unit.	Technical appraisal.
1976	Syria	General Organization for Cement	Technical review of a preliminary 1mio tpy plant design.	Technical appraisal.
1975	Guinea Sougueta	Arab Bank for Economic Development in Africa (BADEA)	Feasibility study for a new cement plant producing 250,000 tpy.	Feasibility study.
1974 - 1977	Tunisia Gabes	Ciments Portland de Gabes	Installation of two 1,000 tpd production lines.	Raw material investigation, Project management, Basic engineering, Tender and evaluation, Site supervision, Start-up & commissioning.

Year	Country	Client	Project	Service provided
1973 - 1975	Algeria Hadjar Soud	Société Nationale Des Matériaux De Construction (SNMC)	Second production line of cement. Cement production capacity: 1 Mtpy.	Market survey, Raw material investigation, Feasibility study, Project management, Basic engineering, Tender and evaluation, Site supervision, Start-up & commissioning.
1972 - 1980	Togo Aveta	Ciments De L'Afrique De L'Ouest (CIMA0)	Studies for a greenfield clinker production plant in Togo. Clinker production capacity: 1,2 Mtpy.	Market survey, Raw material investigation, Feasibility study, Project management, Basic engineering.
1972 - 1977	Togo Lomé	Ciments Du Togo	Extension of the existing clinker grinding station at Lomé, Togo to 150'000 tpy.	Project management, Basic engineering, Civil engineering, Mechanical engineering, Site supervision, Start-up and commissioning.
1972 - 1973	Libya Tripoli	General National Organisation for Industrialisation	Techno-economic study for third cement plant in Libya.	Market survey, Feasibility study Basic engineering.
1971- 1972	Algeria Hadjar Soud	Société Nationale Des Matériaux De Construction (SNMC)	New production line of cement. Cement production capacity: 500'000 t/year.	Technical Appraisal.
1971 - 1972	Algeria Hadjar Soud	Société Nationale Des Matériaux De Construction (SNMC)	New production line of cement. Cement production capacity: 500'000 t/year.	Market survey, Raw material investigation, Feasibility study, Project management, Basic engineering, Tender and evaluation, Site supervision, Start-up & commissioning.
1971	Niger Malbaza	Société Nigerienne de Cimenterie	Technical appraisal of Malbaza cement plant.	Technical expertise.
1971	Algeria Biskra	Société Nationale Des Matériaux De Construction (SNMC)	Geological and preliminary studies for a new cement plant in Algeria producing 100,000 tpy.	Raw material investigation, Basic engineering.
1970 - 1971	Algeria Mascara	Société Nationale Des Matériaux De Construction (SNMC)	Geological and preliminary studies for a new cement.	Raw material investigation.
1969 - 1972	Togo Lomé	Ciments De L'Afrique De L'Ouest (CIMA0)	Construction of a new clinker grinding station at Lomé, Togo. Grinding capacity: 150,000 t/year.	Market survey, Feasibility study, Project management, Basic engineering, Site supervision, Start-up and commissioning.
1969 - 1972	Togo Lomé	Ciments Du Togo	Construction of a ship unloading terminal for the Lomé grinding station.	Project management, Basic engineering, Site supervision, Start-up and commissioning.
1969	Algeria Algiers	Ministère De L'Industrie et de L'Energie de L'Algérie	General study of the Algerian cement industry and the cement distribution system.	Technical expertise.

Year	Country	Client	Project	Service provided
1969	Algeria Mascara	Société Nationale Des Matériaux De Construction (SNMC)	Installation of a new 3,000 tpd production line.	Project management, Basic engineering, Tender and evaluation, Site supervision, Start-up & commissioning.

Cement Sector O&M and Mergers & Acquisitions

Year	Country	Client	Project	Service provided
2014	France	CVC Capital Partners SA	Audits of Holcim Lafarge Cement Plant	Consultancy
2014	Tunisia	Finindev	Technical Audit of Carthage Cement Plant	Engineering Services
2013	Portugal (project in the Republic of Angola)	Banco Portugues de Investimento (BPI)	Lender's Technical Advisor for a hot rolling steel plant project.	Technical evaluation of the Owner's documentation.
2011	New York, United States of America	Skadden, Arps, Slate, Meagher & Flom LLP and Affiliates	Case study and elaboration of an expert witness statement and participation in proceedings as an expert witness on the arbitration case regarding the nationalization/expropriation of the two CEMEX cement plants by the government in Venezuela.	Expertise consultancy for the purposes of supporting the Client in the international arbitration proceedings.
2011	Leningradskaya Oblast, the Russian Federation	LSR Group, OJSC	5,000 tpd Plant Audit in Slantsy Cement Plant with the emphasis on the Raw Materials preparation department technical analysis and the related production losses.	Expertise consultancy for the purposes of supporting the Client in the international arbitration proceedings.
2011	Indonesia	Gama Group	Technical audit of the Chinfon Cement Plant in Vietnam with a capacity of 9,600 tpd for acquisition by Gama Group, Indonesia.	Mergers and Acquisitions Consultancy.
2011	Indonesia	Gama Group	Technical audit of a Thang Long Cement Plant in Vietnam with a capacity of 6,000 tpd for further acquisition by Gama Group, Indonesia.	Mergers and Acquisitions Consultancy.
2011	Abu Dhabi United Arab Emirates	Arkan	Technical audit and evaluation of the 7,500 tpd Cement Plant of Lafarge Emirates Cement Company for further merger with Arkan, UAE.	Mergers and Acquisitions Consultancy.
2011	Portugal (project in the Republic of Angola)	Banco Portugues de Investimento (BPI)	Investment Dues Diligence & Monitoring of execution for a new 5'000 tpd Cement Plant Project on turnkey basis for Nova Cimangola, Republic of Angola.	Expert due diligence & monitoring on behalf of project financing institution and syndication lead Banco BPI, Portugal.
2010	Kingdom of Saudi Arabia	Saudi White Cement Company	Technical audit and evaluation of the 750 tpd white cement plants and deposit for further merger with Riyadh Cement Company.	Mergers and Acquisitions Consultancy.
2010	Kingdom of Saudi Arabia	Riyadh Cement Company	Technical audit and evaluation of the 2 x 5'000 tpd Cement Plants and deposit for further merger with Saudi White Cement Company.	Mergers and Acquisitions Consultancy.
2009	Abu Dhabi United Arab Emirates	Arkan	Preparation and negotiation of an O&M contract for the 10,000 tpd Al Ain Cement Factory.	O & M Contracting Expert Consultancy.
